

Timber Trace Afterschool Club Schedule

We are very proud of the many academically enriching club activities offered at Timber Trace during Afterschool hours. As you can see, almost all of the clubs on our schedule are lead by certified teachers. On occasion, teachers are called into trainings or meetings that may affect the club schedule for that week. The club schedule may vary throughout the school year! Check out the school website for updates!

****Please encourage your child to use their time wisely! Club activities often run into homework time, so they may require some extra time at home to complete classroom assignments if they are in clubs!****

Club schedule is subject to changes based on staff availability or unforeseen circumstances. Teachers will often 'make up' a session if they find they are unavailable on the scheduled day. Look for last-minute updates on the marker board in the sign-out room.
