

INTO AFTERSCHOOL at Timber Trace!

Welcome to the Timber Trace Afterschool Program! We are very proud of our afterschool program, and serve more families than any other north-end public school program in the area! Afterschool is offered to all TTES families, space permitting. This program is available on school days, and families may sign up for either the half-day program (pick up prior to 4:00 p.m.) or the full-day program (pick up prior to 6:00 p.m.)

The program is designed to meet the individual needs of children in grades K through five. While students are with us they may participate in a wide variety of activities that change each year. Examples of those activities include: Book Club, iPad Club, Homework Assistance, Tutoring, Computer Lab, Cooking, Chorus, Chess, Dance, Tae Kwon Do and many special events.

Fees for the 2017-18 school year have not been released by the School District but for the 2016-17 year, fees were \$116.00/month for the 4:00 program and \$228.20/month for the 6:00 program. Once the School District calendar is approved, fees will be finalized.

Tuition calculations are based on contracted attendance for the entire school year and are then divided into equal installments throughout the year. Fees include charges for daily snacks and activities. A non-refundable registration fee of \$25/child is due at the time of enrollment.

We look forward to getting to know our new families at Timber Trace Elementary! Please contact our office directly with questions:

Rhonda Heide, Program Director

REGISTRATION BEGINS APRIL 12, 2017

Enrollment limits are based on group sizes prescribed by the School District and spaces will be filled on a first-come, first-served basis. Children will not be denied the opportunity to attend the afterschool program based on a disability, however, enrollment limits apply to all students. Once the program has met capacity, waiting lists may result.

We encourage you to register before June 1, 2017.
